

Kenmore after school fencing program,

Mondays 2:30 -4PM (in time for 2nd bus).

Fencing is a martial art and an Olympic sport, and is great fun and an intense workout. It's also safe - statistically as safe as table tennis.

The fee is \$130 through December, which covers equipment (except for a glove-\$15, a personal item) and also membership in the Arlington Youth Fencers Club, which provides other opportunities to practice. This is an Arlington Parks program, and they offer accommodation, reduced fees, scholarships etc.

Our FIRST session is Monday, Sept 26, Enrollment closes Oct 3.

To register, please see Tommy Baugh or visit the front desk, or download and fill out the form
